Remy Lai in Conversation with Tye Cattanach

Every Saturday, **Pawcasso** trots into town with a basket, a shopping list, and cash in paw to buy groceries for his family. One day, he passes by Jo's house, where she's peering out the window, bored and lonely. When Jo sets out to follow him, a group of kids from school mistake her for Pawcasso's owner and, excited to make new friends, she reluctantly hides the truth. But what starts as a Chihuahua-sized lie quickly grows into a Great Dane-sized problem when Pawcasso gets his own internet fan club ... Trapped in a web of lies, will Jo risk her new friendships by telling the truth?

Remy Lai studied fine arts, with a major in painting and drawing. She was born in Indonesia, grew up in Singapore, and currently lives in Brisbane, Australia, where she writes and draws stories

for kids with her two dogs by her side. She is also the author of the critically acclaimed *Pie in the Sky* and *Fly on the Wall*.

When Rain Turns to Snow is a contemporary coming-of-age story about a thirteen-year-old boy on the run with a baby, and a girl he's destined to meet. It's about fate, families, friendship and the perils of social media. About discovering who you really are, about working out how and where you fit in to your family, and with your friendship group. It's also a story about the way we use social media, about online bullying and call-out culture and the terrible damage it can do, and it's also a story about Bruce Springsteen.
